Summary

Financial Management specialist with professional graphic design expertise. Unlike traditional creatives, I understand ROI, data analysis, and business logic. I combine the organizational discipline of a Finance Corporate Intern with the visual storytelling skills of a Layout Artist to help businesses scale efficiently.

Key Achievements

- **Champion, CMA Digital Poster Competition 2024:** Recognized for excellence in visual communication.
- **2nd Runner-Up, Regional Stock Trading Competition 2024:** Demonstrated superior market analysis and financial strategy.
- **Dean's Lister, AY 2022-2023:** Recognized for consistent academic excellence in Financial Management.

Work Experience

General Ledger Intern - Okada Manila | Finance Corporate | June - October 2025

- Managed confidential financial data and general ledger entries for a major corporate entity. Demonstrated 100% accuracy in reviewing accruals and official receipts for audit compliance.

Service Crew | McDonalds | December 2021 - July 2022

- **Performance under Pressure:** Managed high-volume customer transactions and operational workflows in a fast-paced environment, ensuring accuracy during peak hours.
- **Operational Excellence:** Recognized with a Commendation Letter during the 2022 Operational Visit for maintaining superior quality standards and adherence to corporate SOPs.
- **Conflict Resolution:** Handled customer inquiries and complaints with professionalism, a critical skill for client-facing virtual assistance.

Layout Artist | Advertising Shop | June - October 2021

- Executed end-to-end design projects for diverse clients, translating vague concepts into polished marketing assets. Managed strict deadlines while maintaining high-quality visual standards.
